

# Sharing Your Time and Talents

*"As each one has received a gift, use it to serve one another as good stewards of God's varied grace." (1 Peter 4:10)*

Stewardship of Time and Talent is a way of showing our gratitude for the gift of each day and the personal abilities God has given us. We devote a portion of our time and use our personal gifts and talents to grow in relationship with God and to carry out the mission of the Church. Please use this form to offer your gifts of time and talent to serve the mission and ministries of our church family.

**Please return completed form to the church office
