### Bethlehem United Church of Christ

#### From the Pastor

In the story of the Magi, found in Matthew 2:9-10, it is written: *"When they had heard the king, they set out; and there, ahead of them, went the star that they had seen at its rising, until it stopped over the place where the [Christ] child was. When they saw that the star had stopped, they were overwhelmed with joy."*

Friends, like the Magi, we find ourselves on a journey filled with excitement and apprehension, wonder and uncertainty. That, as they say, is life. A new year has been thrust upon us and we have no idea what it will bring. As you journey into the new year, what is guiding you? I suggest that you do what the Magi did and look to the star of Bethlehem. That's right, the light that guided them to the Christ child – the Light of Christ – his light is there to guide us too. Jesus is the light of the world that no amount of darkness can ever overcome.

Spoiler alert: his light is within you. So, I pray that the star of Bethlehem will guide you to your own light – *his* light within you. Let it light your path in the new year ahead. Let it shine bright, to help you see moments filled with wonder in God's amazing creation. Let it shine bright, to dispel the shadows of our world and illuminate the places and people that need help and hope. Let it shine bright like a raging campfire, to warm the hearts of those in need of God's love. Let it shine bright and dance like a lightning bug, to bring joy to you and those around you.

So what if we have no idea what lies ahead in 2026? All we need to do is follow the light, moment to moment, one day at a time, and we too will be overwhelmed with joy that only Christ can bring. As the refrain to hymn NCH #160 states: *"We will follow the light, beautiful light, come where the dewdrops of mercy are bright, shine all around us by day and by night, Jesus, the light of the world."* His light will never steer us wrong.

Shine on, my friends, shine on!

Blessings for the New Year,

*Pastor Dawn*

As I write this, the end of 2025 is fast approaching and I'm wondering where the year went. I'm actually glad to be done with 2025 and to move forward...each of us are challenged to do so to the best of our abilities. Where will 2026 take us? What will we learn? How will we change? What can we do to share God's love in the world?

As I thought about this past year, my mind traveled to all I have experienced and learned. I remembered reading the following quote from Maya Angelou that seems to capture a lifetime of learning with lessons we (I) need for today. While reading I found myself saying, "YES!" in agreement with each new revelation. I hope you enjoy it as much as I have.

I've learned that, no matter what happens, how bad it seems today, life does go on, and it will be better tomorrow. I've learned that you can tell a lot about a person by the way he/she handles three things: a rainy day, lost luggage, and tangled Christmas tree lights. I've learned that, regardless of your relationship with your parents, you'll miss them when they're gone from your life.

I've learned that making a "living" is not the same thing as making a "life." I've learned that life sometimes gives you a second chance. I've learned that you shouldn't go through life with a catcher's mitt on both hands. You need to be able to throw something back.

I've learned that if you pursue happiness, it will elude you. But, if you focus on your family, your friends, the needs of others, your work and doing the very best you can, happiness will find you. I've learned that whenever I decide something with an open heart, I usually make the right decision.

I've learned that even when I have pains, I don't have to be one. I've learned that every day, you should reach out and touch someone. People love that human touch -- holding hands, a warm hug, or just a friendly pat on the back. I've learned that I still have a lot to learn!"

Christ's Peace,  
Pastor Diane
