Meet in the parking area.

If you can bring a wheel barrow and/

Use of Church Spaces

Using the various rooms around the church is welcomed. Please remember that we do not have 24 hour custodial care and that there may be a renter or other group using the space immediately after you. The expectation is that you leave the room as you found it.

- Return all items to their original location including items borrowed from other floors.
- Wipe tables and pick up refuse.
- Take trash to the outside bins/replace liners
- Please vacuum or sweep floors if needed.

Everyone's cooperation is sincerely appreciated as we endeavor to be supportive of one another and keep our lovely building looking its best. Thank you.

Through the Church Assessment, Support, and Advancement (CASA) Program, new and renewing ministries receive grant funding to establish and strengthen transformative faith communities within the United Church of Christ.

One of these grant recipients is the Service Learning Community Fellowship Program at Kailua Christian Church. Their mission to cultivate a loving, Christ-centered community is reflected in their investment in young adults discerning pastoral and social service vocations. By partnering with The Institute for Human Services and offering hands-on, community-centered learning, housing support, and spiritual formation, KCC is developing the next generation of compassionate, justice-oriented Christian leaders.
